Dear Prof. Mantanis

In behalf of Kingdom University I would like to thank you personally, the academic staff of the College and your students for hosting four of our students at your Academic Institution at TEI-THESSALY (Karditsa), 7-12 October 2013.

Our students spoke highly about the warm welcome in Karditsa, the tuition, the infrastructure, the site visits and the pleasant evenings out.

I already advised our President Prof. Dr Yusuf Abdulla, that our Academic Institutions should have farther collaborations, which he gladly accepted.

Whenever is convenient for you and your students, we will be more than happy in receiving four of your students to host them in our University.

Kind regards

Prof. Dr Platon Alexiou
